

AN EXCEPTIONAL RETREAT OF CASUAL EXCELLENCE

LEGENDARY GOLF

THE BREATHTAKING OJAI VALLEY INN GOLF COURSE has stood the test of time, like such other George C. Thomas gems as Riviera, Bel-Air and Los Angeles Country Clubs. The layout meanders imaginatively through the natural terrain of rolling hills, barrancas, creek beds, stately old oaks and towering eucalyptus ... while the Topa Topa Mountains provide a scenic backdrop to almost every hole.

History is everywhere. Great players and Hollywood celebrities from all eras have commented on how unique and beautiful the golf course is. Jimmy Demaret was the first to represent the Ojai Valley Inn as its touring professional. Later, Doug Sanders followed suit. The site of seven PGA Tour Champions events, the Inn has garnered a reputation among the game's legends as a favorite spot to visit and compete.
